

Maloy Ministry Moments

September 2024

The world is a big place, & there are a lot of needs. Do you ever wonder how Unto determines which countries qualify as the “toughest places?” “**LOVE U**” guides us to those who are...

The **Least of These**: low & medium countries on the UN Human Development Index

Oppressed: countries most at risk for genocide or mass killing (Peoples Under Threat)

Victims & Vulnerable: people in conflict zones; refugees & internally displaced people

Enemies: The World Watch List: the top 50 countries where it is most difficult to freely follow Jesus

Unreached: countries where 70% of the people qualify as “unreached.”

Almost 3.41 billion people across 7,279 people groups are still considered unreached with the Gospel, & oftentimes, a significant humanitarian issue is one of those barriers. That’s why Unto is committed to using our humanitarian resources to open doors to relieve suffering, restore dignity, & reveal hope.

There is one less “unreached” neighborhood in Central Asia. One Unto project recipient, Lola, found herself in a difficult & desperate situation. When our team delivered food assistance to her, she was touched by the care & attention she received. During a subsequent visit, our staff shared the Gospel of Jesus Christ with her & offered to pray with her. Through this relationship, Lola eventually decided to accept Jesus as her Lord & Savior! She joined a home group, & her decision to follow & grow in her relationship with Jesus led to the rest of her family accepting Christ as well. Her newfound faith also began to spill outside the 4 walls of her home to influence others toward Christ! Today, she is an active member of the group & brings friends to the meetings. Just recently, her husband died, but she is facing this trial supported by the local Cru volunteers & the members of her new spiritual family who continue to minister to Lola & her young children. Please support her as well with your prayers!

Lola, her (late) husband, and children receive meals for their bodies & the Gospel for their souls.

Prayer Requests:

A good friend & key contact in one of my countries is transitioning out of Cru. Please pray for his upcoming move to Germany and for the smooth transition of his replacement, that we can continue our humanitarian projects in his country. Please pray for our Unto staff, as we continue to work toward touching more of the “LOVE U” places with the help & hope of Christ.

Praise:

One of my Central Asian countries was in violation of national law for non-governmental organizations for not having a dedicated office space. This particular NGO clears our containers, so if they were shut down, our partnership with this country would suddenly end. Thankfully, I was able to present this need to our Unto Development team, & they were able to raise enough money to secure an office space for almost two years!
